Policy statement

High standards of dress and personal appearance are an important part of Sixth Form Centre life. In order to prepare our young people for a formal and professional working environment the following dress code applies to all students.

Sixth Form Centre students should wear:

- A blazer or suit jacket, a shirt with a collar (ties optional), smart trousers or a midi or maxi skirt. Suits are encouraged.
- Smart jumpers and cardigans may be worn in cold weather. They should be plain, free of logos, and not oversized.
- Smart, formal shoes.
- Jewellery and ear piercings must not be excessive; facial piercings and visible tattoos are not appropriate.
- Hair colour must be of a natural tone.
- On public or formal occasions Sixth Form students are expected to wear more formal wear which can include a suit and tie OR navy/black/dark skirt/trousers and a dark blazer. We will give warning of this in the weekly bulletin in advance.

Below are examples of what is considered inappropriate:

- Clothes with logos
- Hoodies
- Thin shoulder straps, halter neck shirts, or cold-shoulder shirts
- Plunging necklines
- Visible underwear or exposed midriffs
- Miniskirts
- Shorts
- Leggings or tracksuits
- Denim
- Outdoor clothing worn inside
- Trainers or sneakers

If you are in doubt as to what to wear, please contact a member of the Sixth Form Team who will be able to provide guidance.
